## President's Message

In the last newsletter it was mentioned that we need volunteers for a Nominating Committee as required by the HOA Bylaws. The function of the Nominating Committee is to identify people to run for election to the Board. So far nobody has volunteered for this committee. I need to stress the importance of this committee. At this point, none of the current Board members plans to run for election again. This means that the Nominating Committee will need to find at least 3 new people to run for the Board this year. If you would like to be part of the process of selecting the next Board of Directors for Baldwin Park, please consider volunteering for this position. Just let MGM or any of the current Board members know that you are interested. Also, please consider running for a seat on the Board.

## Pool Committee

With the recent issues that we have had at the pool, we would once again like to say "Thank You!" to Leonard Loewen and Ray Plott. These two gentlemen have done an outstanding job in keeping the pool a safe, healthy, and overall FUN place for all homeowners. If it wasn't for these two and their crew of volunteers, we don't think that the pool would be nearly as enjoyable for families as it has been. We know that everyone can appreciate the amount of work that these two have put in. If you see them at the pool, take a minute to say "Thanks".

Exciting news...the pool season will be extended to September 16<sup>th</sup> this year.

## Flowers

The neighborhood flowers look great. Thanks to Sharon Schultz, Natalie Walton and Evelyn Olson for their help in organizing the planting and keeping the neighborhood beautiful

Place watermelon, jalapenos, cilantro, lime juice in medium bowl. Stir well to combine. Season with salt. Serve at room temperature or chilled.

## Dog Etiquette

We've had complaints of people not picking up after their dog. Please remember to bring a bag to pick-up after your dog when walking through the neighborhood. There are also bags provided at each of the neighborhood parks. Let's help keep Baldwin Park the clean neighborhood we all love.
